

6 Creative ways

To re-use old

Gift cards

1

Craft projects

Keep a stack of spent gift cards handy for craft projects. They're easy for kids and adults to cut, glue and decorate. Make some funky

4

Snaz up a gift

Does your loved one have a favorite store? Give them a hint of what's inside the box - wrap the gift and tag it with the used gift card.

Organize your garden

Trim old gift cards into the shape of a stake. Label them with a Sharpie for weatherproof garden labels.

Reload it!

Maybe the smartest way to re-use a gift card is to reload it at ShopWithScrip.com. You can reload many of your favorite brands.

3

Make a guitar pick

Grab your scissors and make a custom guitar pick. For a more finished look, buy an inexpensive guitar pick-making tool at pickpunch.com.

Replace lost collar stays

Chances are, Dad has few shirts in the closet with missing collar stays. Used gift cards keep him looking sharp.
