*“As the mother of 2 children enrolled in parochial schools, the cost of tuition can be a financial burden. Thankfully, the rebates we earn with gift cards have **saved us \$1,000s in tuition**—the best part is that the gift cards are used for items that we would purchase anyway!!”*

“Shopping with gift cards has helped me such a great deal. I didn’t know how easy it was. One day I was volunteering in the school and another parent explained how it worked and showed it to me on her phone. I was sold! **I can make money for the school by buying products I would be buying anyway** and to top it off it wasn’t costing me \$400 more every year.”

*“I used gift cards to pay for all of our two sons’ school expenses: athletic fees, school trips, class fees. After the boys left high school, we had **more than \$1,000 left over** that was donated back to the school—all from earning on things we always buy. Now, I continue to earn for our church and help other family members with their school expenses. I will always be a loyal gift card shopper because it’s like getting free money.”*
