“I reach out to friends and family during the holidays and order the gift cards they ask for as presents. Then I don't have to worry about driving around town and searching for the perfect gift for each family member—I just place an order online and everyone gets something they want. It's even better because we get to use the earnings for tuition (we raised \$950 last year!)”

“

"I just started shopping with gift cards and it was so easy to do for the holidays. There was no going out in cold weather, standing in line at the store, or worrying about going over my budget. I got friends and family \$10 and \$20 gift cards for brands I know they like. The best part was getting money back to help pay for my daughter's cheer competitions."
